Appendix C

Miruna Turland
Planning Officer
Chichester District Council

9th October 2024

Dear Miruna Turland

24/01841/DOM - Shangri-La, The Drive, Ifold, RH14 0TD

First floor extension, two storey porch extension and single storey rear extension with associated changes to existing roof, materials and fenestration.

The Parish Council makes **No Comment** regarding the development in principle; however, considers despite the reduced glazing compared to the application considered in November 2023 23/01749/DOM, that light spill will still be significant and have an adverse impact on biodiversity and nocturnal species, including bats; as well as impacting on the local dark skies particularly given the proximity to the South Down's National Park.

The Parish Council would strongly ask that a condition is imposed to further reduce the amount of glazing and to monitor the inevitable light spill.

With regard to the rendering, the colour should be in keeping with rural surrounds and neutral or natural colours are preferable.

Yours sincerely

Jane Bromley
Clerk & RFO
