Walking, Cycling ,Horse Riding

Walking, with or without a dog is a key leisure activity. The Map shows a network of footpaths and bridleways through and around Ifold, allowing access to the surrounding countryside. There are no designated cycle routes however bicyclists can use the bridleway network. As a rural area there are no protected footpaths, bridleways or cycle routes, provided with the main roads. The Wey and Arun Canal tow path provides access for walkers, horse riders and bicyclists.
